

March 8, 2017

TO: Lisa Moore, Kennett Township Manager
Safety Committee Members

FROM: Bill Shelton, Chair, Safety Committee

**MINUTES OF THE 2-8-2017
SAFETY COMMITTEE MEETING**

In attendance were members Rick Farquhar, Jeff Hammaker, Eugenia Messick, and Bill Shelton.

Jeff and Eugenia discussed the Township's emergency alert process.

Jeff discussed the traffic light timing at the Greenwood Rd. and Baltimore Pike intersection. This intersection is critical for many First Responders in private vehicles going to Longwood Fire Company, in order to respond to a call. Jeff has timed this delay to be 4 minutes. He asks that the Chief review the timing. We believe that the control box for this intersection is on "our" side of the road (i.e., our jurisdiction).

A reminder was made about attending the Chief's Public Safety Forums on 2/14/17 and 2/21/17. These were previously discussed in our meetings.

The minutes of the 7/13/2016, 8/10/2016, 9/14/2016, 10/12/2016, 11/9/2016, 12/4/2016 and 1/11/2017 Safety Committee Meetings were reviewed and approved.

The meeting was adjourned.

These Meeting Minutes were approved by the Safety Committee on March 8, 2017.

Bill Shelton, Chair
