UCC INSPECTION PROCEDURES STATEMENT

1. PLUMBING; MECHANICAL; ELECTRICAL: To be performed as follows:

- a. **Plumbing:** All underground, encased or otherwise concealed system, shall be inspected including: sanitary system, domestic water service or line, alteration additions to any existing sanitary system, service, drain or any other sanitary drain or line, any domestic water service or line. Pressure tests shall be as follows: sanitary at 5 p.s.i. for 15 minutes, water system at 100 p.s.i. for 15 minutes (well or public systems at twice the pump; static (public) pressure).

Any aboveground sanitary or water system, to be performed; all items listed in "a" above shall be inspected prior to any encasement. Sanitary systems shall be tested at 5 p.s.i. for 15 minutes, water systems at 100 p.s.i. (or twice the static pressure of a well or public water system) for 15 minutes.

- b. **Mechanical:** Any underground or aboveground rough mechanical systems of any type shall be inspected prior to encasement. Business, Commercial, Industrial or other non-residential mechanical systems shall have: balance reports, PA steam boiler license, system operator license, special inspection reports, or other as may be required for compliance with the applicable codes.
- c. **Electrical:** Any electrical work, including low voltage or specialty, applicant shall submit one set of "Third Party Reviewed and Approved" plans. At a minimum, there shall be a "Service", when applicable, "Rough" and "Final" inspection approval by a qualified third party inspection agency. Final inspection approvals shall be placed on the electrical panel(s), and a "cut card" indicating final approval shall be sent to the Township for their permanent record.

I fully understand that it is my responsibility or the responsibility of the person that I have listed below as my designee to call for inspections and that, if inspections are not made according to this procedure, I or my designee may be in violation of the UCC and may be subject to prosecution. I/we also understand that no one may occupy the structure (or portion thereof) until a UCC Certificate of Compliance is obtained.
