Old Business:

1. **Historic Spar Hill Farm (Diane)**

Name Recommendations: *At this time the vision for Spar hill is for it to be a passive recreation space where people can walk trails, take their dogs out, admire the historic structures, and passively recreate. In addition., it will remain an active farm as a local farmer continues to farm the property. The Emergent Abundance Farming Collective will continue to operate their garden which may expand over time. The Township is looking for a simple name.*
