

MINUTES OF THE KENNETT TOWNSHIP SAFETY COMMITTEE
801 Burrows Run Road, Chadds Ford, PA 19317

August 14, 2019
7:00 PM

The Committee met on the above date at the Kennett Township Office. Attending were Committee members Gus Teipelke, Lydell Nolt, Rick Farquhar, Ted Trevorrow, Jeff Hammaker, Matthew Singer for Jeff Singer, and Jeff Whittle.

Gus Teipelke called the meeting to order at 7 pm. The Agenda for this meeting and the minutes of the meeting of May 8, 2019, were approved.

Old Business

Lydell Nolt reported that the school district will be moving the bus stop for Richardson Run to a better location. Speed restriction signs were installed a few months ago. This item can be removed from the Agenda.

The citizen concerned with traffic calming on Bayard Road has been asked to bring a petition before the Board of Supervisors so that, among other things, budget considerations can be addressed.

The issue of making disabled citizen forms available was again discussed. Lydell Nolt reported that a number of people had contacted the Township about the need for special services, when required, and they had been given information about how to register. Apparently all that needs to be done is to let the public know that there are forms available. Lydell Nolt will ask that something to the effect be added to the pending Township Newsletter.

It was reported that Chris Plumley is no longer on the committee and that his replacement is Jeff Singer, for the Kennett Borough Fire Company.

New Business

The Committee voted to cancel meetings for July and August, beginning next year.

There was an extended discussion about how, and if, the Safety Committee should be involved in the approval process for subdivisions, ordinance changes, and the variety of other matters which have recently been sent to the attention of Committee members. Since the request to include the Safety Committee in all these matters apparently came from the Township Planning Commission, their chairman will be contacted to further clarify the request for the Committee's participation in these matters.

The meeting adjourned at 8:05pm.

Jeff Whittle, Secretary
