

Kennett Township maintains a list of all Homeowners' Associations and their president/contact information. The list is utilized when it's necessary to quickly provide information to the residents of a given neighborhood. Updates on township services, safety concerns, and emergencies are examples of when the list is utilized. We update this information annually and each Homeowner Association president or key contact will receive a notice seeking updated information.

We ask that you respond to this request promptly and fill out the information on the next page.
