Re: Police Training at Spar Hill on Tuesday, February 15, 2022

Dear Township Residents,

The Kennett Township Police Department would like to notify residents that on Tuesday, February 15, 2022, the Chester County Regional Emergency Response Team and the Kennett Township Police Department will conduct a live scenario at 432 Burnt Mill Road, also known as Spar Hill Farm.

The scenario will begin promptly at 6:00 am and conclude at approximately 1:00 pm. During the scenario, there will be multiple emergency response specialized vehicles and team members dressed in full tactical gear. There will be simulation shooting (blank rounds) and explosives assisted by helicopters.

If you hear or see the emergency response team in the area, please do not to be alarmed. This is a scenario training event so our team will be prepared in the event of an actual emergency in the future.

On behalf of the Kennett Township Police Department and Chief Matthew Gordon, we thank you for your understanding.

If you have any questions related to the scenario, please email KTPD@Kennett.pa.us, or call 610-388-2874.
